

Major Office	Profile	Programme/Area of Work	Duty Station	Assignment	Summary of Assignment
AFRO	AF/19/05	Mental Health and Psychosocial Support	Addis Ababa, Ethiopia	Technical Officer	<p>In the context of the WHO Health Emergencies Incident Management System (IMS), at the country level, the Junior Professional Officer (JPO) will seek to contribute to the strengthening the ability of the country and humanitarian partners to scale up the prevention and treatment of mental, neurological, and substance use disorders, and to promote mental health, with a particular focus on populations affected by natural and man-made emergencies. The provision of Mental Health and Psychosocial Services are a key, but largely unmet need in Ethiopia. Specific vulnerable groups include the 3 million IDPs and returnees, 2 million of whom were affected by conflict in the past year, approximately 1 million refugees, returning combatants, released political prisoners, but also the homeless youth in the large cities, of which 600,000 live in Addis Ababa, alone. The Ministry of Health recognizes MHPSS service delivery as a key need, but lacks the resources to address it, while at present the humanitarian sector stands to benefit from improved coordination and a closer link with the existing national strategy and policies.</p> <p>Supervisor: WHE Emergencies Team Lead</p>
AFRO	AF/19/04	Mental Health	Harare, Zimbabwe	Technical Officer	<p>The Junior Professional Officer (JPO) will support the WHO Zimbabwe Country Office in its work with governments and NGO partners to promote mental health and psychosocial well-being and prevent and treat mental disorder in populations exposed to conflict, displacement, natural disaster (e.g., flooding, cyclone), mass traumatic events or other adversities (e.g., serious economic adversity, women affected by gender-based violence).</p> <p>Supervisor: Head of WHO Country Office</p>
AFRO	AF/19/03	Partnership and Resource Mobilization	Brazzaville, Republic of Congo	External Relations Officer	<p>The Junior Professional Officer (JPO) will work as part of a team in the Partnership and Resource Mobilization Unit to assist in, facilitate and support efforts to mobilize in-kind and financial resources and build an effective service for external relations in WHO's Regional Office for Africa. More particularly, this will comprise pro-active resource mobilization, grant management; building regional and international partnerships and support the work of the WHO Governing Bodies in AFRO.</p> <p>Supervisor: Coordinator, Partnership and Resource Mobilization</p>
