

Major Office	Profile	Programme/Area of Work	Duty Station	Assignment	Summary of Assignment
Multiple	MDS/19/01	Maternal, Newborn, Child and Adolescent Health	Cote d'Ivoire, Ghana, Sierra Leone, Malawi or Bangladesh	Technical Officer	<p>In the context of the health-related Sustainable Development Goals and the Global Strategy for Women's, Children's and Adolescents Health 2016 – 2030, the Department is building a global network for improving the quality of care in maternal, newborn and child health services. The network brings together committed government, implementation partners and funders with the aim to accelerate progress in reducing preventable maternal, newborn and child mortality and improving health outcomes. Members of the network are committed to implement a standards-based approach using evidence-based implementation interventions and to contribute to a learning platform that will enable exchange of experience and joint learning. At present, 11 countries are engaging in the network. They include Bangladesh, Cote d'Ivoire, Ethiopia, Ghana, India, Kenya, Malawi, Nigeria, Sierra Leone, Uganda and Tanzania. In each country WHO country offices fulfil a facilitating role to support government in i) development of a national governance mechanism and quality of care strategy, ii) development of national standards for quality of maternal, newborn and child care, iii) bringing partners together around the implementation of one national plan for improving quality in maternal, newborn and child health services, iv) facilitating a national learning platform for quality improvement and v) tracking progress towards results. The Junior Professional Officer (JPO) will work as part of the WHO country team in each of these areas and particularly focus on seamless coordination of activities, within the country as well as with the global secretariat in MCA.</p>
AFRO	AF/23/01	Prevention of Sexual Exploitation, Abuse and Harassment	Brazzaville, Republic of Congo (first year), may be reassigned to support countries afterwards	Technical Officer	<p>Under the direct supervision of the Regional PRSEAH Coordinator, the Junior Professional Officer (JPO) will ensure that the WHO workforce adheres to the norms and ethical principles related to the prevention of sexual exploitation, abuse and harassment.
